

"And all the lives we ever lived and all the lives to be are full of trees and changing leaves..." ~Virginia Woolf

What could be more beautiful than Fall in Brown County? The air is cool and crisp, and there is a sharpness to it that you can only catch this time of year.

The leaves turning may be a signal that the year is coming to a close, but things are just getting started at Waycross!

Groups large and small will be enjoying the colorful display of the season throughout September, October and November.

Coming together in community is even more meaningful when your background is the changing treescape and light of Fall.

Nominations are now open for diocesan leadership positions to be elected and appointed at diocesan convention on November 4 and 5. Waycross has one open board position for a lay person or clergy. Nominations are due October 20. Click [here](#) for the online nomination form.
