

“*Spring unlocks the flowers to paint the laughing soil.*”

-BISHOP
REGINALD HEBER

The signs are everywhere! From budding Red Maples to blooming daffodils, it is a time of rebirth and renewal. Even the halls of our Conference Center are showing more signs of life. We have welcomed groups of clergy, college/high school students, knitters, and more in the past few weeks and look forward to several busy days in the weeks to come. All are welcome sights and sounds, and point to life moving forward.

Volunteer Opportunities

Waycross has multiple volunteer opportunities. One great way to give to your time and talent to Waycross is by being a Guest Host.

If you are looking for a way to stay connected to Waycross, Guest Hosting is a great opportunity to volunteer. It is a great time to welcome our guests, have some social time, help our hard-working staff and spend time at the place in the woods that we love the most. Our guests and staff appreciate our help and I personally enjoy wishing our visitors "safe travel" at the end of their time with us.
